

LOCALPLUS NETWORK

Plan and network information: Colorado

LocalPlus® provides access to a network that is limited to local quality doctors, specialists and hospitals right where patients live. The plans, aligned to the LocalPlus network, help patients save money by giving them access to the right mix of health care benefits – at the right price.

1. For emergency medical conditions as defined in the plan documents.
 2. Precertification may be required for hospital stays and some types of outpatient care.

What this means to providers

- ▶ Some LocalPlus customer ID cards may list a PCP, even though they are encouraged, but not required, to select one.
- ▶ While written referrals are not currently required, you can help your patients minimize their out-of-pocket expenses by always referring them to providers in the LocalPlus network.

Questions

If you have questions about a patient's benefits and eligibility, or about billing, please contact us using the information on the patient's Cigna ID card.
